

B. SRINIVASAN

Managing Director | MV Switchgear Specialist & Innovator

Qualification: B.Sc (Electronics) & MBA (International Business)

Age: 58 Years | Industry Experience: 25+ Years

EXECUTIVE PROFILE

Seasoned executive and technological leader with extensive expertise in research & development, detailed engineering, prototype manufacturing, type testing, production, installation, and commissioning of medium voltage switchgear (AIS & GIS) ranging from 3.3 kV to 40.5 kV. Successfully heading a medium voltage switchgear manufacturing enterprise in Salem, Tamil Nadu for over 11 years, driving innovation, industrial safety, and distribution automation.

TECHNICAL EXPERTISE & SWITCHGEAR SOLUTIONS

- **Medium Voltage Switchgear (3.3 kV – 40.5 kV):** AIS & GIS Vacuum Circuit Breakers, Load Break Switches, Off-load Isolators, and Earth Switches.
- **Advanced Technology & Actuators:** Permanent Magnetic Actuator Operated Vacuum Circuit Breakers, Auto Reclosers, Sectionalisers, and Special VCBs for Capacitor Switching.
- **Ring Main Units & Interrupters:** SF6 Insulated Ring Main Units, Air Insulated Ring Main Units, and Vacuum Interrupters.
- **Protection & Heavy Duty Breakers:** Control & Relay Panels, Metal-clad Indoor/Outdoor VCB Switchboards, High Voltage Motor Starters, Vacuum Contactors, Generator Circuit Breakers, and Traction Breakers (Single pole & Double pole / Loco Breakers).
- **Testing & Quality Assurance:** Extensive hands-on experience in type testing and international compliance across all MV vacuum switchgear categories.

LEADERSHIP & KEY ACHIEVEMENTS

- **Managing Director (11+ Years):** Heading a premier medium voltage switchgear manufacturing industry based in Salem, Tamil Nadu.
- **Patents & Innovations:** Filed **7 Patents** related to distribution automation and electrical safety solutions.

EDUCATION & CREDENTIALS

Academic Qualifications

- **B.Sc. in Electronics**
- **MBA in International Business**

Patents & Intellectual Property

- Filed 7 Patents in Distribution Automation & Electrical Safety
